

# Cheyenne Coolidge

East Community High School

GTEST GIS summer camp 2018

# Purpose of my map

- ▶ The purpose of my map is to show the different levels on the views of the palaces and fortresses. It also helps to see the differences between these two different architectural buildings.

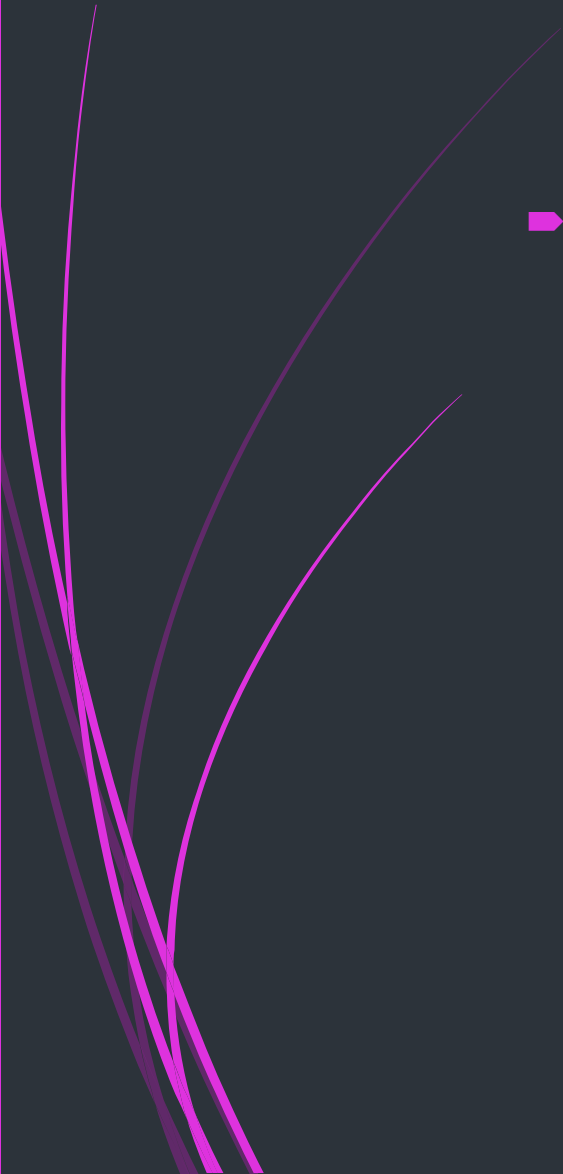

# Locations

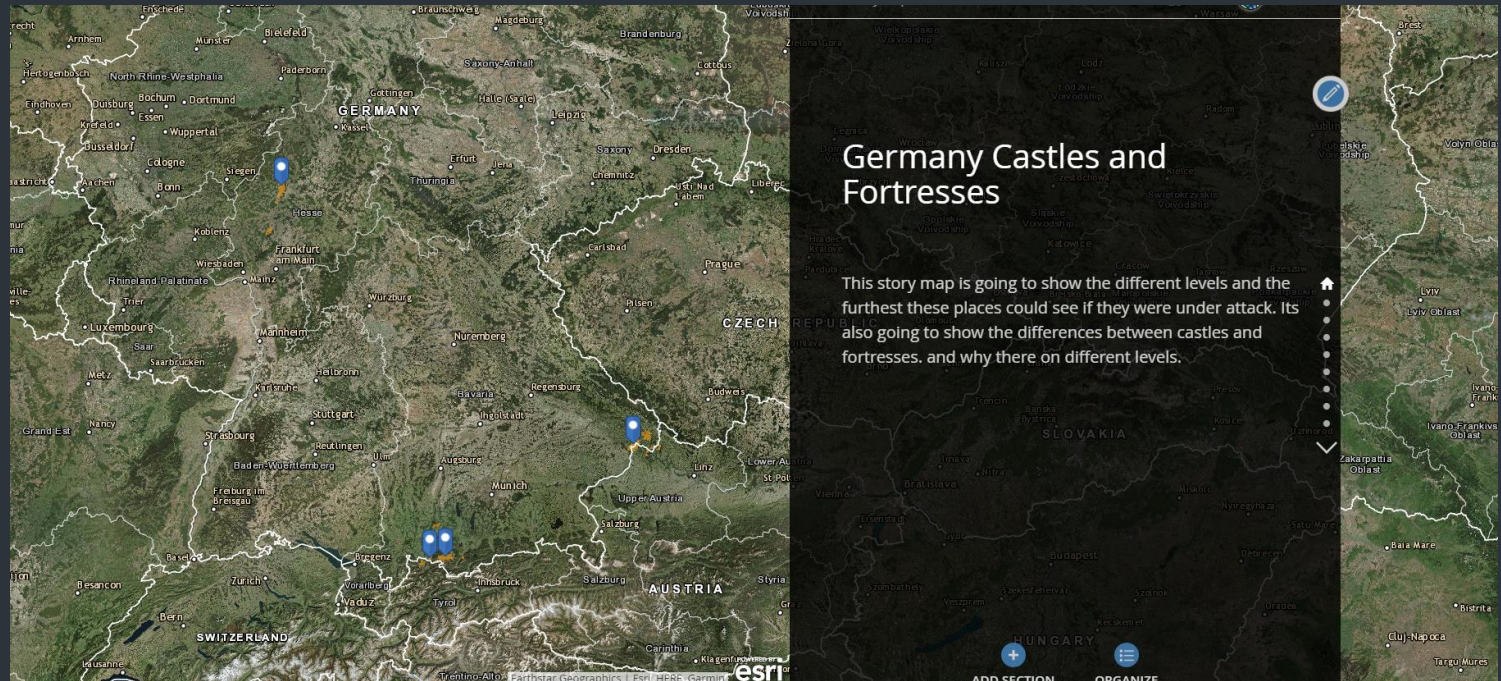

- ▶ Neuschwanstein, Neuschwansteinstraße, 87645, Schwangau, Bavaria, DEU
- ▶ Linderhof, Ettal, Bayern
- ▶ Oberhaus, Bayern
- ▶ Schloss, 35037, Marburg, Hessen, DEU

# Analysis

- I did a viewshed analysis this shows the layers of the places whether they are on high or low ground.
- 

# Results

# Where I got my information

- <http://www.neuschwanstein.de/englisch/tourist/>
- <http://www.schlosslinderhof.de/englisch/palace/history.htm>
- <http://www.travelsignposts.com/river-cruises/featured/veste-oberhaus#forward>
- <http://doc.arcgis.com/en/arcgis-online/analyze/create-viewshed.htm>

# Career interest

- ▶ I want to be a patent lawyer. So I can help people get there inventions up and not be stolen with there patent.

# My Career Path

## ➤ Who I am

- I like singing and writing music. I also like math, E.L.A and science
- I am good at singing, debating and cheer. The subjects I'm good at are science, math, and English.

## ➤ Where I am headed

- A lawyer and poets, lyricists and creative writers.
- Lawyers argue and communicate. And writers are free on what they write.

## ➤ How I can get there

- This summer I will read law books. And write more songs
- This year I will study for act/sat.
- Continue debate team
- Improve GPA/ I know the colleges I want to apply to.

## ➤ People who help me on my career path

My mom ( works for Erie County)

- Mrs. Roche
- Mr. O'Connor

## ➤ HOW can GIS Help with my career

- Have company's that use GIS
